

Middle & Senior School Co-Curricular Music - PURPLE

The Middle and Senior School Co-Curricular Music Program enables students to explore and develop their musical skills and ideas in a range of open and auditioned ensembles. Regular performances and tours enable our students to play instruments, sing in choirs and work in small contemporary bands. Highly competent Junior School students are also invited to join the program, at the discretion of the Coordinator of PK-8 Music.

The Middle and Senior School Co-Curricular Music Program occurs outside of curriculum time.

Student's accounts are charged a termly rate of \$75.00 providing them access to the open ensembles and ability to audition for the premier groups.

We encourage all students in the program to attend a weekly individual music lesson to ensure their individual needs and progression is achieved.
