12 March 2019

### **Disney's *Beauty & The Beast* comes to Bathurst**

More than 60 Senior and Middle School students from Scots All Saints College will take to the stage to present Disney's classic musical, *Beauty & The Beast* at the Bathurst Memorial Entertainment Centre (BMEC) on 28, 29 and 30 March, 2019.

Dress rehearsals continued this week at the Performing Arts Centre on Scots campus as students fine tune their performances ready to delight the regional community with their musical, acting and singing talents.

Head of English and Production Manager, Mr Leigh Morrisey said the 2019 production of *Beauty & The Beast* promises to be an early highlight on the new College calendar, delivering a precedent for excellence.

"This musical is a wonderful opportunity for the students to be involved in all aspects of theatrical production from lighting, sound, technical support, staging, back stage assistance, acting, theatre, props and musical performance," Mr Morrisey said.

"We are creating a musical of the highest production qualities which provides outstanding experiences for the students to learn a range of skills and work together as a team. We aim to deliver a show with a real 'wow factor' that is set to impress the audience."

Students from Year 7 to Year 12 have been rehearsing for the past few months and with only a week and a half until the performance curtains are raised, last minute preparations are almost complete.

"I am extremely proud of every cast member who has dedicated hours of their time to making this the best high school musical we have seen in the region. Many have not been involved in a high-end production before but have hit the ground running, while others are seasoned performers. Our lead cast members are Year 11 students, Holly Hare as Belle, with her beautiful singing voice and Harry Dickerson will star as The Beast. Together, they will capture the hearts and minds of the audience," he said.
