

SCOTS ALL SAINTS  
COLLEGE

15 November 2021

Dear Parents and Students,

Campion Education supplies textbooks and resources to our College. The list of textbooks required by Year 7-11 students as they commence their 2022 academic year is now available on the Campion website. (There is no obligation to purchase from Campion; parents are able to source textbooks from Campion or another supplier).

**Parents of Year 10 (2022) students, please read the textbook list carefully as some subjects have a textbook that carries over from Year 9, therefore no further textbook purchase is required. This will be indicated on the textbook list.** I recommend that parents have their student with them at the time of ordering to ensure the correct textbooks are purchased.

Whilst it can be tempting to obtain a cheaper/free edition of an English text elsewhere (off the bookshelf/from an older sibling/from a second hand shop) it is essential that students obtain and use the specific editions prescribed by NESA.

The Heads of Departments have requested that students purchase hard copies of textbooks for 2022. Please note that hardcopy textbooks also provide access to the electronic version.

You are able to access the Campion website through this link:

**If Parents order via the Campion website, the School Code is... VF4D (alphanumeric)**

If you are new to using the Campion website, you will be required to create an account with your email address and a password. Campion also provide an additional link to their website which provides a step by step of how to order <https://www.campion.com.au/parents/how-to-order/>

Please contact Campion directly if you have any problems (02) 8905 8691.

Kind Regards,

Mr Andrew Weeding  
Deputy P-12 | Head of Senior School
